

## Colorseal Selections (Optional)

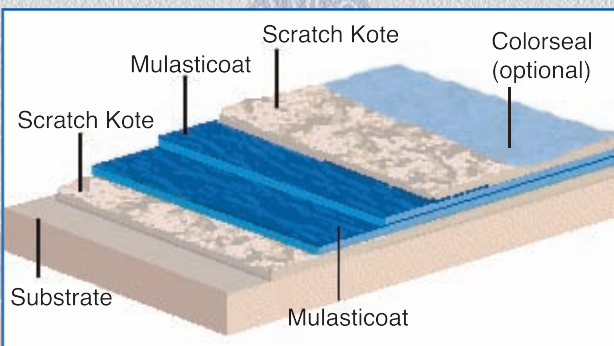

The above color sample is for informational purposes only. Printing limitations will not accurately depict the final color. Job site conditions, weather, surface texture and absorption, etc., will affect the final color appearance. We strongly advise that a small test area be applied for the final color approval.

## Coverage

Mulasticoat	40 - 50 Square Feet/Gallon
Scratch Kote	180 - 225 Square Feet/Bag
Colorseal	200 Square Feet/Gallon

## System Diagram

## Advantages

- Seamless
- Superior Bonding
- No Special Tools
- Easy to Apply
- No Special Safety Equipment
- Roller Applied
- Cost Effective
- Water Based
- Multiple Colors
- Proven Effective

## Environmentally Friendly
